Yup'ki

Map

This is a map of the Alaskan.

The Alaskan Native lived their

HISTORY

TECHNOLOGY

- Hunters used bows and arrows, spears, and harpoons.
- They also caught birds using bolas.
- They used to prevent snow blindness.
- Wyman used
- They made their spears with wood and rocks that are sharpened. They used it for defense.

they made their shelters out of wood and the

SHELTERS

FOOD

They eat caribou and rabbits and birds .

The background features a black field with abstract, wavy lines in shades of green and yellow. The lines are smooth and fluid, creating a sense of movement and depth. The colors transition from a bright green on the left to a golden yellow on the right, with some darker green and black areas in between.

CLOTHING

The background features a black field with abstract, wavy, horizontal bands of color. On the left, a vibrant green band curves across the top. To its right, a yellow band curves, and further right, a thin red band is visible. The overall effect is a dynamic, flowing composition.
